the professionals
of tomorrow

The Young Australians Tourism Association (YATA) serves to facilitate a link between Industry and future tourism professionals. In addition to providing this mutually beneficial link, YATA seeks to promote networking opportunities and events for young tourism professionals as they develop their career within the tourism Industry.

Looking to the future...

YATA is well aware of the mutual needs for Industry and up-and-coming tourism professionals to have a forum that connects them together. YATA considers a key objective of the Association to be promoting youth into the future of tourism. YATA is a well recognised organisation within Industry and is supported by motivated executive committee members - each holding respectable roles within the Tourism Industry.

The round table...

The YATA Executive Committee is elected by members, for a term of 2 years, and is formed with both Industry and academic representatives. YATA recognises that each individual is different and in turn has differing career goals. Getting involved with YATA is an exciting way to showcase your professional abilities, get hands on industry experience, and be part of a great team.
